Specialty Show 30th April 2011

Results

Just a brief message of appreciation to all our wonderful Sponsors, Judges and hard working Committee, along with some very special friends who travelled from Canberra and Adelaide to help us on the day. Apart from a brief downpour our show went off with very few hitches. This being our second show did run a lot smoother than our first but we still have a few little areas that can be improved on. Any feedback with suggestions from Exhibitors would be appreciated.

Our Committee would like to congratulate all Exhibitors for presenting our Judges with a brilliant line up of quality dogs. I have received many complementing remarks from Judges in the area, on the improvement in type and soundness. We are now in a position to start seeing more in Show and Group awards. A BIG Congratulations to all our winners. And a big thank you to all our Exhibitors for attending and making the Show such a fantastic success.

Listed below is a copy of the Championship Show results with the General Special awards on a separate page. The Open Show results I will type in and the General Specials page is also available for viewing. Your dogs' catalogue numbers are the same for both Shows. I hope you can work out who won what, if not give me a call and I can go through it with you.
